

1. Layout

Corporate Identity

- **New Logo**
- **Adjust the colors of the website to the colors of the logo**
- **Text: Grey** (PS-color-code: 58585B) , Font: Myriad Pro
- Other Colors for Frame, random points,.. : Green 38B449, Light Green 8cc63E, Tree Green 0BA14B, Light Grey 988478

2. Website Front Page

- **Add Headline/ Signal Words** e.g.> Welcome to Bhattidanda Fresh & Natural, Be more than a tourist, become a local
- Remove " 10 Reasons why.." from first page and put them in extra menu point
- **Add Introduction to Bhattidanda:** Welcome to Bhattidanda Fresh & Natural Guesthouse. Stay with us and take some time out from stressful Kathmandu. Enjoy fresh air, stunning views on the mountain of the Himalayas and freshly cooked, natural food. Savour hotel-like facilities and experience true hospitality while staying in a familiar atmosphere. Find out more about Fulmaya, winner of the social entrepreneur award and our community-based projects.
- **Update Contact Details** (Facebook, Insagram...)
- **Change Photos** (New Photos in extra File): Front Page Terrace, Room, Food in Slide Show or Big Picture and few smaller ones.
- Please watch out for tidy pictures (Fulmaya picture: Whole left side looks untidy)

3. Menu Bar

- Fix the Menu Bar (Gallery not working): Please in **Corporate Colors**
- Add Menu Point: **Background Story** (Fulmayas Story) & **Menu Point** "10 Reasons Why.."

4. Addition/ Content

- Update Prices Rooms ok but with all meals **FALSE** (Price List will be sent)
- **Add Current Photos**
- **Add Guest reviews**
- Indicate Link to Tripadvisor or/and booking.com
- always use **smooth colour gradients**

5. Final Words

Please add final words (on the bottom): You may only stay one night, but your memories stay forever

Additional Files: Fulmayas Story, Photos, Menu Card, New Logo,
